

# Support Neighbor to Neighbor's July Rent Parties

We love coming together to celebrate how stable housing makes our community a better place for everyone. This year, however, our “normal” event plans aren’t possible. So we are shifting our plans with smaller Rent Parties happening all over Larimer County all throughout July.

N2N has distributed over \$268,000 in Emergency Rent Assistance in just April and May, which is more than we normally spend in a year for the program. We are asking the business community to continue their sponsorship support for N2N, so we can effectively fundraise to prevent homelessness in our community.
